Dear Shareholder,

RE: Notification of a non-material amendment to the investment policy of Platinum World Portfolios - International Fund and Platinum World Portfolios - Asia Fund

We are writing to you as a Shareholder in one or both of the Platinum World Portfolios - International Fund and Platinum World Portfolios - Asia Fund (each a “Fund”, together the “Funds”), each a sub-fund of the Company. The purpose of this letter is to inform Shareholders of a proposed non-material amendment to the investment policy of each Fund as described below.

Currently the investment policy for each Fund provides that the Funds may invest and have direct access to certain eligible China A-Shares via the Shanghai-Hong Kong Stock Connect. Exposure to China A-Shares through the Shanghai-Hong Kong Stock Connect is limited to a maximum of 25% of the Fund’s Net Asset Value at the time of investment.

It is proposed to amend the investment policy of both Funds to also permit the Funds to invest and have direct access to eligible China A-Shares via the Shenzhen-Hong Kong Stock Connect (in addition to the Shanghai-Hong Kong Stock Connect). Shareholders should note, however, that the maximum direct exposure which the Funds may have to China A-Shares will not be increased. As such, the overall exposure to China A-Shares, whether through the Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect (together “Stock Connect”) will be limited to a maximum of 25% of the Fund’s Net Asset Value at the time of investment. The amendment to the investment policy of the Funds will provide the Funds with greater access to eligible China A-Shares without changing the overall risk profile of the Fund.

The section of the prospectus titled “Risk Factors” as it relates to the risks associated with utilising the Shanghai-Hong Kong Stock Connect to access China-A Shares will also be updated, as appropriate, to incorporate references to the Shenzhen-Hong Kong Stock Connect and to reference recent enhancements introduced to Stock Connect relating to real time delivery versus payment (“RDVP”) for settlement instructions, which may be utilized by the Funds.

Effective Date of the changes:

Subject to regulatory approval, the above changes are expected to take effect on or around 2 July 2018 (the “Effective Date”) pursuant to a new prospectus to be noted by the Central Bank. The Company will confirm the effective date of the change by way of an announcement which will be available on the UCITS’s website at <http://www.platinumworldportfolios.ie>.

Please note that the Company’s prospectus containing, amongst other things, the proposed amendment to the investment policy of the Funds is currently being reviewed by the Central Bank. If the Central Bank requires further material changes to the proposed amendments as outlined above, these changes will be communicated to Shareholders of the relevant Fund as soon as is reasonably practicable.

Redemption of Shares

Shareholders who do not wish to remain invested in a Fund following the implementation of the proposed change can redeem their Shares on any Dealing Day prior to the date of the Effective Date by following the usual redemption procedures and terms as set out in the Prospectus.
